WOR Ranking System

The WOR Rankings system currrently has five levels of events with each level having their own set of ranking points. Each WOR event then is set to one of the ranking levels and each player in the event receives the points indicated based on their finishing position.

Back to WOR Index

Level 5	**WOR Championships**	**1st Place**	**700**
		2nd Place	**575**
		Semi-Finals 3rd & 4th	**490**
		Quarter-Finals 5th thru 8th	**375**
		Round-of-16 9th thru 16th	**250**
		Round-of-32 17th thru 32nd	**150**

WOR

Cool Utility Functions Found Only Within this Excel Version of the Rankings

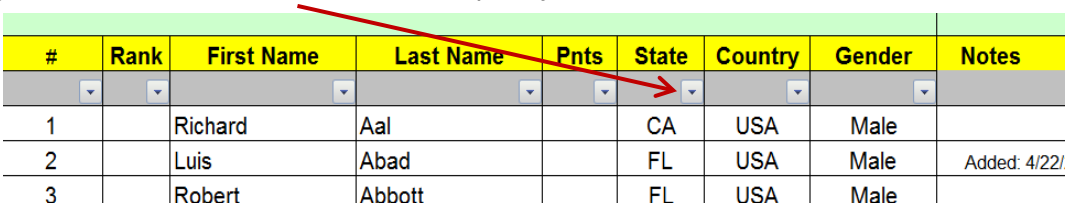
Link back to: WOR Index All WOR Participants List Event Listing Since July 20

The functions described below are available ONLY within the Microsoft Excel Version of the Master Rankings. The functions allow for;

- Re-calculation of the rankings based on the filters you apply
- Multiple ways to sort the rankings
- Display of ***all*** WOR events for a player since the 2010 WOR Championships along with ranking points
- Display of all WOR events for a player ***in a specific WOR division*** along with ranknig points

WOR Participant's Sheet Functions - The sheet listing all participants sinc

1. The listing may be sorted on any column or even filtered (show only certain data) via the filter "down arrow" heading. Simply click the desired arrow and select the option you desire. Default sort is the "Last Name"



#	Rank	First Name	Last Name	Pnts	State	Country	Gender	Notes
1		Richard	Aal		CA	USA	Male	
2		Luis	Abad		FL	USA	Male	Added: 4/22/
3		Robert	Abbott		FL	USA	Male	

2. At the top right of this worksheet are two (and possibly three) function buttons.

   Which layout you see depends on whether the WOR Macros (program) Workbook is open.
   If it is open then version with "Main Menu" is displayed otherwise the one without it is.

Button Descriptions

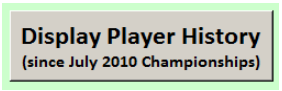
Click this button to re-create the Rankings based on a couple ranking filters available. to set the filters is displayed after clicking the button.l

The two filters are: By Court Type - By Group Type

By Court Type: Display Rankings ONLY for a specific court type. 1-Wall, 3-Wall, Lor

By Group Type: Display Rankings ONLY for a Group. Example: WOR Arizona, WOR

You may filter using both. E.g. You can rank WOR Arizona only and only their Long-W

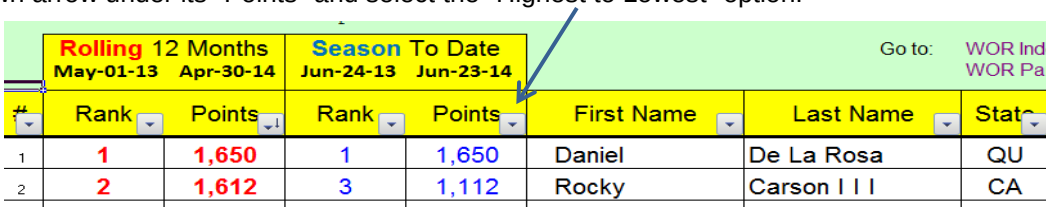


Click this button to display all events the player has participated in since the 2010 WO

To select a player for display simply click any cell on the players row then click this but

WOR Division Sheet Functions

1. As with the WOR Participants above, all columns maybe sorted by the column's data or be filtered via the f located under its heading. Simply click the arrow and select the desired option.
   What makes this ability useful is you may filter the display to show only players from a selected country or S
   Also, since the default sort is on the "Rolling 12 Months" rankings, you can display the "Season To Date" ra
   by clicking the down arrow under its "Points" and select the "Highest to Lowest" option.



#	Rolling Rank	Rolling Points	Season Rank	Season Points	First Name	Last Name	Stat
1	1	1,650	1	1,650	Daniel	De La Rosa	QU
2	2	1,612	3	1,112	Rocky	Carson I I I	CA

2. Also, as with the WOR Participants sheet, you may display all events the player has participated. However button it displays only events where the player participated in the WOR division sheet you are viewing.
   There are three different display options here.

   Note: as with the WOR Participants, the "Main Menu" may or may not display based on whether the WOR Macros workbook is open and available.

   Rolling 12 - Displays all events participated in within the current Rolling 12 months

   Season to Date - Displays all events participated in within the current Season to date

   Edit/View All - This option creates a temporary worksheet of all the events since the 2010 WOR Champs a has several reasons why you might want to use this.

   First a Note: If the "Main Menu" is displayed you will the see "Edit/View All" text in the button. Otherwise, if the WOR Macros workbook is not available (programs not available) the text displayed i as the Edit function requires the WOR Macros to function.

- Use this function if one of the top buttons has too many events to display. You'll see an message if this is th There is a max number of characters that may be displayed on the top two quick displays. This usually equ
- Use the Edit function If a player requires an update to an event they have participated in.

   Note: the WOR Macros workbook must be open to use this. If it is the text will read "Edit/View All" as show

   Main Menu - Displays the WOR Macros Main Menu (if available)
